Choate Wealth Earns Strong Recognition in Chambers High Net Worth 2026 Rankings

Choate Wealth and its attorneys have been recognized in the 2026 *Chambers High Net Worth* rankings, including Band 1 recognition for Private Wealth Law in Massachusetts. This recognition reflects our position among private wealth practices in the region and the depth of our experience serving high-net-worth individuals, families, fiduciaries, and family-owned businesses.

Among this year's highlights are the first-time ranking of Jessica Lambert and the advancement of both Kristin Abati and Jennifer Ewing to higher bands. Mark Bloostein and Kimberly Cohen both earned Band 1 rankings in Massachusetts, in addition to recognition in the Eastern U.S. region overall.

In addition, several attorneys maintained their rankings in this year's guide, including Cameron Casey, Renat Lumpau, Geoffrey M. Mason, and Brian Monnich.

Chambers High Net Worth is widely regarded as one of the legal industry's leading independent ranking organizations, recognizing top lawyers and firms based on extensive research, client feedback, and peer interviews.

Choate Wealth did not provide compensation, directly or indirectly to obtain this ranking.
